

KAMRUL HASAN RIYAD

CIS Engineer

Email: kamrulhasan01835852056@gmail.com

Phone: 01858620826

Location: Mirpur-12, Dhaka - 1216

Languages: Bengali (Native), English (Fluent), Hindi (Conversational)

CAREER OBJECTIVE

Highly motivated Software Engineering post graduate with a strong passion for Artificial Intelligence, Machine Learning, website development, cyber security analysis, and app development. I am planning to apply to a Master/Research program where I can acquire advanced research skills in AI-based solutions, intelligent automation, secure web/mobile systems, and applied machine learning to solve real-world problems.

EDUCATION

Daffodil International University

2022 — 2026

BSc in Computing and Information System

Result: CGPA 2.70 / 4.00

Relevant Coursework: Artificial Intelligence, Machine Learning & Driven Data, Cyber Security Analysis, Data Structures & Algorithms, Design Pattern, Object Oriented Programming & Design, Database Management Systems, Software Quality Assurance, Operating Systems, Computer Networks, Data Analysis & Statistics.

Monipur High School and College

2018 — 2020

HSC (Science)

Result: GPA 4.92 / 5.00

Sultan Mollah Adarsha High School

2016 — 2018

SSC (Science)

Result: GPA 4.78 / 5.00

PROJECTS

Third Eye AI-Powered Sign Language Recognition

Developed an AI-driven solution utilizing computer vision technology to recognize and interpret sign language in real time to bridge communication gaps.

Smart Car - IoT-Based Autonomous Vehicle

Built an IoT-integrated prototype for an autonomous vehicle, leveraging hardware sensors and software algorithms for navigation and obstacle avoidance.

Dynamic Portfolio Website

Designed and deployed a responsive, dynamic personal portfolio website to showcase technical projects, skills, and professional achievements.

TECHNICAL SKILLS

Programming & Web

Python, HTML, CSS, Web Design

Databases & Tools

MySQL Database, Git, VS Code

Operating Systems

Windows, Linux, Android, iOS

EXPERT FIELDS

- Cyber Security
- Web Development
- Web Design
- App Development
- AI / ML
- IoT
- Computer Vision

AWARDS & CERTIFICATIONS

AWS (Amazon Web Services)

Online Course Completion Certificate
